1. On 24 February 1951 the Supply and Service Command of the Central and South China Military Area imported the following purchased articles from Macao: 580 bales of jute bags, each bale containing 100 bags; 1,400 truck tires; 70 cases of automobile parts; 46 cases of telephone sets. These materials were taken to Canton and from there shipped to Hankow.*

2. HCU Ching-fu (侯景福), a representative of the Revolutionary Military Council in Peiping, arrived in Hong Kong recently. He approached the Chieh Ch'eng (捷成)**Company, 353 Des Voeux Road West, first floor, and asked them to buy the following supplies:

- Anti-aircraft guns - automatic and with a vertical range of at least 12,000 meters (40,000 feet).
- 120 anti-tank guns.
- Cameras, mostly for aerophotography.
- 20 light landing craft.
- Medicines, mostly for military use.
- Truck tires.
- Explosives.

Since most of these articles are unavailable in Hong Kong, the Revolutionary Military Council has decided to send a representative to the Philippines to procure them there and arrange for them to be smuggled to China.
